

What you'll need:

- Glue
- White Paint (optional)

What's included:

- Clothespins
- Glitter

## Instructions:

1. Disassemble the clothespins.

1

2. Glue the clothespins together into a snowflake pattern and let them dry.

a. (Optional) Once dry, you can add a coat of white paint to the top of the snowflakes.

2

3. Apply a thin layer of glue and sprinkle glitter over each snowflake.

3

4. Glue your small snowflake to the top of your large snowflake or leave them separate if you'd like.
