

Donations Policy

The Library Director is authorized to accept donations of materials, art, and objects without restrictions. The Library Director will determine which items are to be added to collections, displayed, or sold/given away.

Donors must sign the appropriate agreement form based on their donation:

- Donation of Art, Artifact, or Object.
- Donation of Books, Print, or AV Materials.

Monetary donations may have restrictions, but the Board reserves the right to reject such a donation if the restriction is beyond the scope or mission of the Library.
